---

tum@svn-ap.com

---

## Employment History

### 2021–Present

Intern Architect, *SvN Architects + Planners*

### 2018

Designer, *WORKac*

### 2016

Designer, *Yallowega Bélanger Salach*

---

## Qualifications

**2007**, Bachelor of Philosophy,  
*University of Western Ontario*

**2008**, Bachelor of Architecture,  
*Laurentian University*

**Present**, Master of Architecture,  
*Dalhousie University*

Taylor is an Intern Architect with four years of professional experience and holds a Master of Architecture from Dalhousie University, as well as a B.A. in Philosophy from Western University. He has worked on design projects in a variety of scales in Toronto, New York and Germany. His graduate work focused on race and space in Detroit, examining the reproduction of settler colonial wasteland ideology.

Taylor has a deep interest in design and social justice, and how empowering stakeholders in the design process can create inclusive and vibrant public space.
